> From a wilderness. The red man's bome. Now peace and plenty. The white man's boon.

Where there is a will there is a way, and never better lilustrated than by her noble sons who succeeded in spite of their environments, filled many positions of bonor, trust and emolument. Their sis-ters also made good wives and mothers. adorned the social and literary circle with that grace, case and good sense for which Texas women are noted.

Texas women are noted.

I approach the time now when the people were thinking and talking of casting in their lot, becoming one of the Confederated States of America, when the air became vibrant with annexation songs. I recollect the chorus of one:

'Oh, come along my Texas boys, Oh, do come slong, oh, do; We'll sill hurrah for James K. Polk, And the annexation too."

The time had to come for the Republic RATES (Cast of Texas to unfuri her hanner, casting it Per word, one insertion. to the preeze, taking for its crest and in-signia the "Lone Star," which has proudly floated with its luster undimmed, a thing forced with its luster undimmed, a thing

of beauty, for it has never ceased to adorn the "Stars and Stripes."

I have scarcely touched or outlined many incidents that would be of interest to the present generation, but time torbids. Suffice it to say that Texas stends on the threshold of far greater possibilities than have ever been conceived or draamed of in any one's philosophy, be he sige or have ever been tentered, be he sage in any one's philosophy, be he sage Melsey A. Booth.

Fuel for Force

Your body must have force, nervous force, muscular force, digestive force. Fat is the fuel used to supply this force. If you are weak in any of these forces, use more fuel.

The cod-liver oil in Scott's Emulsion is the best fuel for this work. Your nerves grow stronger, your muscular power increases, and your digestion improves.

50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York.
